

JOYFUL NOISE
SUMMER 2024
ENRICHMENT

Joyful Noise Summer of Exploration, Enrichment & Fun, is for children 2.5 years through those completing Kindergarten in June. This program is open to all Joyful Noise families and the community. Children are grouped by age (as of 6/01/24) and each day includes time for play, socialization, and enrichment. Families provide snacks, lunch and drinks for their child.

No matter the theme, every Wednesday we will have fun water activities so pack a change of clothes and towel too!

We are offering 8 sessions of **Joyful Noise Summer of Exploration, Enrichment & Fun** from **9:00 AM-1:00PM**. You may sign up for any combination that fits your family's plans.
